# 1 Commands

# 1.1 Movement and Attacking

Move using number keys, vi keys, or arrow keys. Attempting to move into a creature's tile will either attack it, if the creature is hostile, or else prompt for confirmation to attack, switch places, or squeeze past.

7, y	8, k, ↑	9, u
4, h ←	5, s, .	$6, 1, \rightarrow$
1, b	2, j ↓	3, n

- w Automatic movement
